FOR IMMEDIATE RELEASE – JULY 10, 2013

Brush Manufacturers and Suppliers Attend Mill-Rose 53rd Annual Golf Outing

Cleveland, OH - Brush manufacturers and suppliers from around the world gathered for the 53rd annual Victor F. Miller Golf Tournament recently held at Kirtland Country Club in Willoughby, Ohio. Skills of the golfers ranged from near professional to novice, however, a good time was had by all that attended the event.

Over 100 representatives from the United States and countries as far away as Italy attended the event, hosted by Mentor-based The Mill-Rose Company in honor of the

company's past president, Victor F. Miller. Manufacturers and suppliers gathered during the week before the golf outing to discuss business trends and opportunities. Scheduled meetings and interviews were also conducted throughout the week in preparation for the American Brush Manufacturers Association (ABMA) fast approaching 100-year anniversary in 2017.

Brushes manufactured by these companies are used in virtually every type of industry around the world. Applications include makeup/mascara brushes, hair brushes, floor sweeping and polishing brushes, gun cleaning brushes, car wash brushes, copier toner brushes, brooms, paint brushes, and special brushes used in the medical field.

About The Mill-Rose Company

The Mill-Rose Company is the largest U.S. manufacturer of twisted-in-wire brushes used in virtually every type of industry throughout the world. Mill-Rose is a family-owned organization, now in its third generation. Mill-Rose experienced significant growth from its humble beginnings in 1919, and today operates manufacturing and warehouse facilities throughout the United States and Mexico. A 64,000 square foot production facility in Mentor, Ohio and 33,000 square foot production facility in Mexico feature the latest in manufacturing techniques and quality-control programs. Manufacturing is complemented by a 70,000 square foot U.S. distribution center located in Mentor, Ohio.
